Finnish Through New Eyes Program Content & Schedule

Spring 2019 Schedule: 9 weeks

Module released on Thursdays between May 2nd to June 27th

Q&A calls on Wednesdays May 8th to June 27th, except Thurs May 16th & Fri, July 5th

Week 1/ Finnish through new eyes: *adopting a refreshing perspective for the Finnish journey*

- The essentials to a joyful, ease(y) and awe-inspiring Finnish journey aka. Adaptation is your birthright 101
- The common blocks to joy (ease and awe) and how to bounce back from them
- Using your intuition and emotions as guides in confidently navigating decisions about how to learn

Week 2/ Foundations: *introduction to the 3 pillars of language learning & how your brain learns*

- Introducing the 3 pillars to learning Finnish, that hold the key to growth & awe at every level
- The 6 phases of Finnish, and how to unearth joy, ease and growth at every level
- What you need to know about how your brain learns Finnish (what it's similar to & what it's different from)
- The skill-set that comes with learning Finnish through new eyes (5 dimensions & focus point for each of 6 phase)

Project week 1

No new content released, catch-up on material or do a special project. Q&A call scheduled as usual.

Week 3/ Vocabulary: what you need to know about the process & start developing/refining the skills

- Breaking down the skills to develop so you can learn vocab easily - and actually use it
- The essentials to consider when fine-tuning your own vocab learning process - one that you'll repeat hundreds of times (might as well make this one joyful!)

IRINA PRAVET

2

- Design your own unique process for learning vocabulary more easily & joyfully

Week 4/ The power of your environment: Perspective & tools to study less & use your environment to learn more

- Learn to use your environment as a complement to your individual efforts and/or instead of book-learning aka. Irina's lazy approach
- How to spot progress through the lens of your environment (& its layers)
- How to recognize great & not-so-great learning environments so you can focus your efforts
- Tools to empower you to make the most of your current environment & expand it

Project week 2

No new content released, catch-up on material or do a special project. Q&A call scheduled as usual.

Week 5/ Grammar through new eyes: Ready for fall in love with grammar? Your mindset shift for sustainable process & skills

- See grammar for its awe-inspiring purpose & heal the love-hate relationship with grammar once and for all
- The simple criteria to choosing which grammar to focus on & which to ignore (yes, it's a choice & the choice is yours!)
- What we talk about when we talk about 'grammar' and why understanding these 3 differences are key to making this ease(y) and quite frankly, way more fun!
- Refine your own unique process for learning grammar joyfully - yay!

Week 6/ People through new eyes: Tools & perspectives to make the most of every interaction & relationship

- How to see every interaction as an opportunity for linguistic growth
- Learn to cut through the layers of complexity in social interactions & start having more fun with it
- Tools to make the most of daily interactions & using those as springboards to progress & more freedom

Project week 3

No new content released, catch-up on material or do a special project. Q&A + wrap up call this week.
